Visit ***prioritymedicare.com*** to learn more about our plans and how Medicare works.

This information is not a complete description of benefits. Call 888.389.6648 (TTY 711) for more information. This doesn't list every service we cover or tell you if a deductible must be met before you pay the amount listed in this document. To get a complete list of services we cover including any limitations or exclusions, review the Evidence of Coverage document available online at ***prioritymedicare.com***.

Priority Health offers two kinds of Medicare plans: HMO-POS and PPO

HMO-POS stands for health maintenance organization (HMO) and point of service (POS). With this plan you can use providers in our network and pay less for services. The POS portion allows you to use out-of-network providers both within Michigan and across the United States, but you may pay more for these out-of-network services. You'll choose a primary care physician (PCP) to coordinate all your care. We don't require you to get a referral to see a specialist, but your PCP can sometimes help you see one more quickly.

PPO stands for preferred provider organization (PPO). With these plans, we don't require you to get a referral to see a specialist for care. You'll get the most value from your plan when using in-network providers, but you can see any provider who participates with Medicare. You don't have to choose a PCP, although selecting one can help you coordinate care.

To confirm that your doctor, clinic or health center is part of the Priority Health Medicare network of providers, go to ***priorityhealth.com/findadoc***.

Eligibility

In order to join any of our Medicare Advantage plans, you need to be enrolled in Medicare Part A and Part B and live in our service area—which includes all 68 counties in the Lower Peninsula. There are no exclusions for pre-existing conditions.

Prescription coverage

All of our Medicare Advantage plans include prescription drug coverage. To make an informed decision about your Medicare plan, review our provider/pharmacy directory. You generally need to use network pharmacies to fill your prescriptions for covered Part D drugs. To save even more on your prescription costs, use a pharmacy in our preferred pharmacy network. Make sure to review the approved drug list, also called a formulary, to see which drugs are covered by our plans. You can find in-network pharmacies and approved drugs on our website at ***prioritymedicare.com***, or call the customer service number.

Get a free copy of the *2025 Medicare & You* handbook. *View it online at* ***medicare.gov*** *or get a copy by calling 800.MEDICARE (800.633.4227), 24 hours a day, seven days a week. TTY users should call 877.486.2048.*

Important health insurance terms to know

To help you better understand our plans, here are some common terms you'll come across while researching:

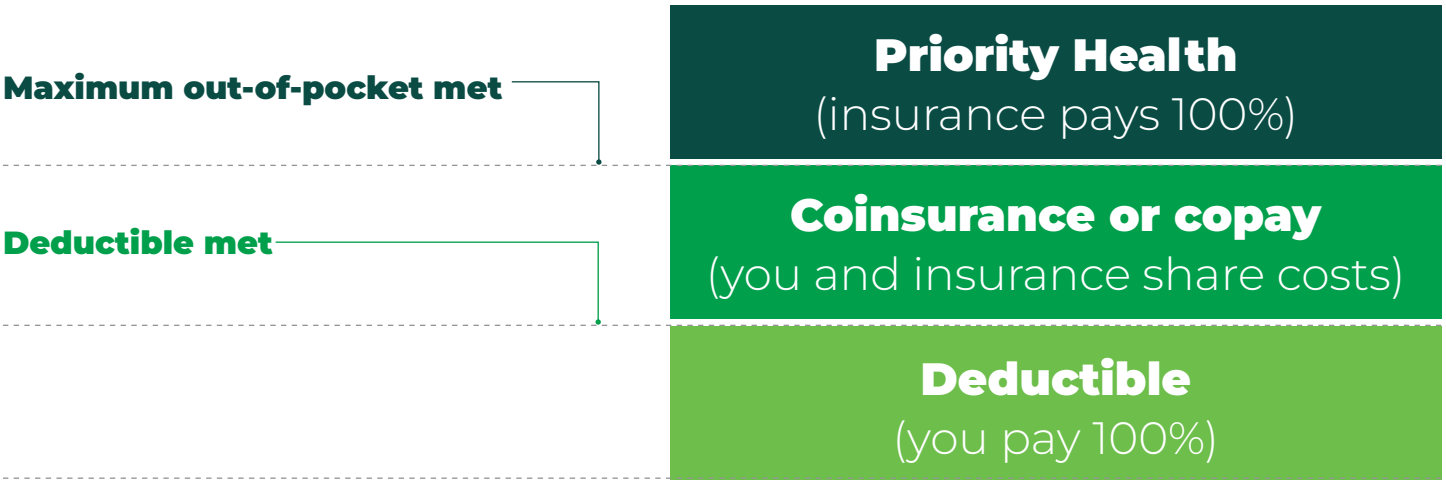
Deductible: This is the amount you pay each year before the health plan starts to pay for certain services, and you start paying a portion of the cost (copay or coinsurance).

Coinsurance: After you've paid your deductible, you may have a coinsurance as your portion of the cost for medical services or prescriptions. Coinsurance is a percentage of the cost of a medical service or prescription and is listed as a benefit in your health plan.

Copay: After you've paid your deductible, you may have a copay as your portion of the cost for medical services or prescriptions. This is a fixed amount you pay, generally at the time you receive a health care service or when you get a prescription filled.

Maximum out-of-pocket: This is the most you will pay for covered medical services for the year—this means Priority Health pays 100% of the cost after you hit this amount. Your coinsurance or copays count towards the maximum out-of-pocket; premiums and prescription costs do not.

How do health insurance costs work?



How does Original Medicare work with Medicare Advantage plans?

Original Medicare (health insurance from the federal government) may not be enough to cover all of your health care needs in retirement. Priority Health Medicare Advantage plans include everything that Original Medicare covers, plus extra benefits and services to help you save money and stay healthy.

Pre-enrollment checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules.

If you have any questions, you can call and speak to a Medicare expert at 877.230.1560 from 8 a.m. to 8 p.m. (TTY 711).

Understanding the benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit ***prioritymedicare.com*** or call 877.230.1560 to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

Understanding important rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on Jan. 1, 2026.
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for certain covered services for HMO-POS plans that are provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care. In addition, you may pay a higher copay for services received by non-contracted providers.

Priority Health Monthly Plan Premium for People who get Extra Help from Medicare to Help Pay for their Prescription Drug Costs

If you aren't getting extra help, you can see if you qualify by calling:

- 1.800.Medicare or TTY users call 1.877.486.2048 (24 hours a day/7 days a week),
- Your State Medicaid Office, or
- The Social Security Administration at 1.800.772.1213. TTY users should call 1.800.325.0778 between 8 a.m. and 7 p.m., Monday through Friday.

If you have any questions, please call Customer Service at 888.389.6648 (TTY 711) from 8 a.m. to 8 p.m., seven days a week.

Priority Health has been named to Newsweek's America's Best Customer Service 2024 list. Based on an independent survey of U.S. customers who have either made purchases, used services, or gathered information about products or services in the past three years.

One Pass is a voluntary program. The One Pass program varies by plan/area. Information provided is not medical advice. Consult a health care professional before beginning any exercise program.

Priority Health's pharmacy network includes limited lower-cost, preferred pharmacies in Michigan. The lower costs advertised in our plan materials for these pharmacies may not be available at the pharmacy you use. For up-to-date information about our network pharmacies, including whether there are any lower-cost preferred pharmacies in your area, please call 888.389.6648, TTY users call 711, or consult the online pharmacy directory at ***prioritymedicare.com***.

Out-of-network/non-contracted providers are under no obligation to treat Priority Health members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

Priority Health has HMO-POS and PPO plans with a Medicare contract. Enrollment in Priority Health Medicare depends on contract renewal.
